Calling Alumni, Friends, Family

We are looking for some generous folks to sponsor a new desk & chair for our Junior High students who are in the 6, 7, and 8th grades. We are excited to move our classes to the new building. Our desks need some updating and we are reaching out to YOU!!

If you wish to sponsor a desk & chair, the total would be \$100.00. Our students would be so thankful and blessed. Your name would be added to a plaque showing your contributions for this purchase.

God Bless You for your generosity, kindness and love to the School of St. Frances de Chantal.
