Dear Parents,

Thank you for entrusting your child/children to St. Frances de Chantal School! We will work together to make these years ones that your child will remember. It is our sincere hope that you will find us to be willing partners with you, the first teachers of your child, as we work together to provide the best Catholic education for every boy and girl at St. Frances de Chantal.

Since the school opened our doors to the children of the parish on September 8, 1930 (the celebration of the birth of our Blessed Mother Mary), our parish school has been providing an outstanding educational program. Many of our children represent the third generation of families who lived in this parish community for many years and have attended the parish school. As our Throggs Neck community continues to grow we are proud to welcome new families to the parish and school.

Many memories have been made here and new ones are yet to be realized as we provide our students with well-rounded education rooted in the Catholic faith. Our fine faculty is dedicated to preserving the legacy of St. Frances de Chantal Parish School under the guidance of our principal, Miss Debra Trignani, and the priests of the parish, Fathers Epi and Antony. We pray that this year be a good one for every member of our parish family. As we enter our 80<sup>th</sup> year as a parish school we pray that Almighty God may bless each one of us at St. Frances de Chantal.

Sincerely in Christ,

Father Michael J. Sullivan
